

**SCUBA CREW 820 HOSTS ITS FIFTH ANNUAL UNDERWATER PUMPKIN CARVING EVENT
SUNDAY OCTOBER 14, 2018**

Scuba Crew 820 News – 12:30pm, October 14th, 2018
Underwater Pumpkin Carving

Square Lake at Golden Acres

15150 Square Lake Trail North, Stillwater, MN 55082 (Southeast side of Square Lake)

No tricks! Diving's a treat! As a warm-up for Halloween and fall, BSA Venture Scuba Crew 820 invites certified divers from around the Twin Cities to join them carving pumpkins at Square Lake near Stillwater, on an underwater dive training platform, 22 feet down. **"Bring your own pumpkins"**

If you need equipment there is a \$30 cost for the outing: includes 1 tank of air, wetsuit, hood, gloves, BC, regulator, carving tools, and FUN. (If we do not have a wet suit that fits you, you will have to rent one on your own) (Golden Acres vehicle and per-person fees are not included.)

To register, I need your name, age, phone number, height, weight, and shoe size.

Sign-up cutoff date is Wednesday, October 3rd.

Wear your Scout uniform underwater for some great pictures and videos

Divers' busy carving pumpkin 22 feet down on divers platform in Square Lake

The water temperatures should be in the 60 degree range, with the best water visibility of the season! The pumpkins will spilled their guts out on shore prior to the dive and then add some Scout-rendered underwater "vegetable surgery". Last year it took a mere 32 minutes of underwater precision carving to turn ordinary garden gourds in to underwater masterpieces!

This event holds all the elements of a perennial Scout fall classic; adventure, convenience, timeliness, creative expression, and ----FUN!
